

# MEDIA RELEASE

FOR IMMEDIATE RELEASE

## NEW BOX OFFICE LOCATION

**Prince Edward County, ON, (May 15, 2009):** It's still some weeks until Opening Night, but Festival Players is ready to take your ticket orders. The Box Office opens for the season on May 22, 2009 in the Visitor's Information Centre on Main Street in Bloomfield.

"It's a new location for us," says Box Office Manager Kate Longley. "The Box Office needs to be highly visible and convenient for local theatre fans. We're grateful to Taste The County for opening their doors to Festival Players."

For their part, the destination marketing organization was pleased to help out.

"We recognize the important cultural contribution Festival Players makes in drawing tourists to the County. So it seemed fitting that their Box Office should be housed in close proximity to the Visitor's Information Centre," says Executive Director Kathy Kennedy. "We all benefit when our creative community flourishes. We're sure the new Box Office location will serve them well."

The Box Office is open seven days a week, 10 am to 5 pm.

Festival Players Box Office  
289 Main Street, Bloomfield  
(in the Visitors Information Centre, via the side entrance of the Town Hall)

Payment options: VISA, MasterCard, Amex, cash, cheque or money order
